Subject: Foston Parish Council Accounts year ended 31 March 2017

Christina

I have audited Foston Parish Council Accounts for the year ended 31 March 2017 by a series of reconciliations, sample and in-depth checks as appropriate.

Based on the information provided, my view is that there is a reasonable level of control on receipts and payments.

I discussed a number of items in detail with Wendy, the majority to aid clarity and transparency. All items discussed were of a minor nature.

Regards
