## PRESS RELEASE

Helston Town Council's Play and Young People Committee is very pleased to announce that it will shortly be holding consultation events about the installation of new play equipment in the Carey Parc play area. Town Councillors will be setting up photographic displays of play equipment in a gazebo at Carey Parc play area on Saturday 27<sup>th</sup> October between 11.00 and 14.00. Squash and biscuits will be available. We are all looking forward to meeting members of the public from a wide area to give their views on the play equipment that could be installed. Copies of the displays will be on view in the Corn Exchange from Monday 22<sup>nd</sup> October. We will also be asking pupils of Parc Eglos School to make comments on the play equipment that they would like to see installed. Members of the public will be encouraged to express their opinions and to vote on the equipment displayed. Should you wish to write to the Council about this new initiative please address your comments to the Deputy Mayor, Councillor Mike Thomas, Chairman of the Play and Young People Committee via Helston Town Council, The Guildhall, Helston.
