Dear Mr. Wellock,
**Steeton, Eastburn and Silsden Draft Neighbourhood Development Plan
Strategic Environmental Assessment Screening Consultation**

Thank you for consulting Historic England in relation to the revised Strategic Environmental Assessment (SEA) Screening Report for the draft Steeton, Eastburn and Silsden Neighbourhood Plan.

We previously advised, in our letter of 22 March 2016 that Historic England considered that a Strategic Environmental Assessment would be required.

In the light of the proposed changes to be made to the draft Neighbourhood Plan and the case set out in "*Steeton, Eastburn and Silsden Neighbourhood Plan SEA and HRA Screening Report v.2*", attached to your e-mail of 8 December 2016, Historic England concurs with the conclusions set out in para. 5.5 of the report and now considers that a Strategic Environmental Assessment will not be required.

We would be pleased if you could forward a copy of this letter to Steeton, Eastburn and Silsden Parish Council, for their information.

Thank you in anticipation.

Yours sincerely
